ART UNIT PAPER

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. The reply filed on 05 February 2008 is not fully responsive to the election of species requirement in prior Office Action mailed 24 October 2007 because of the following omission(s) or matter(s):

the election of species for the structure of the compound elected does not meet all the limitations described in Claim 27 currently of record and is therefore not commensurate with the description currently of record in Claim 27. There is no provision for two of the substituents, S3 and S4, to form a fused ring which is necessary to obtain the elected species.
2. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 C.F.R. §1.136(a).
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Kailash C. Srivastava whose telephone number is (571) 272-0923.
